

OV 711-1

Chief, Planning Staff

10 OCT 1955

Assistant Director of Logistics

Reports and Records Program

- REF: (a) LI 43-200-1, Records, 26 September 1955
- (b) Development Plan - For the Establishment and Maintenance of Reports and Records Required to Conduct and Undertake Support Planning

1. In view of the comprehensive survey now being conducted by all components of the Office of Logistics, Reference (a), it is felt advisable to hold in abeyance your draft of Reference (b) until such time as the results being compiled by the Chief, Administrative Staff have progressed to a point to permit review to insure planning information and data are duly considered and provision made therefor.

2. Any future action concerning your requirement for planning data as indicated in Reference (b) should be coordinated with the Chief, Administrative Staff.
